Marriage.

On Monday, Feb. 26th there
was a pleasant gathering at the
home of Mr. J. F. Farrer, Wavy
Lake, on the occasion of the
marriage of Miss Alice Edith
Farrer to Mr. Edward Alfred
Baker of Hill End. The ceremony
was performed by Canon Hinch-
liffe in the presence of the im-
mediate relatives of the bride and
groom. After the wedding the
guests partook of a generous re-
past and joined in expressions of
good wishes for the happiness of
the newly married pair.

We want 20,000 more acres of
land on our lists-North Alberta
Land Co.

We are pleased to learn on
good authority that the lumber is
now on the ground to erect a 20
car cattle yard at Red Deer as
soon as the frost is out. This
will be one of the largest in the
province. It is worth waiting a
while to get a good thing like
that and the C. P. R. are evi-
dently preparing to do well by us.

Mr. and Mrs. G. A. Porter of
Edwell have spent the winter
here. They report that the
weather has been so fine that
they have suffered no inconveni-
ence and the water has not frozen
inside during the season. This
is a somewhat unique and con-
vincing testimony to the mildness
of our glorious Alberta winter.

27 letters were received by the
North Alberta Land Co. from
prospective buyers in the States
inquiring about land in our dis-
trict.

Ladies Hos- pital Aid

Secretary's Report 1905-6

We have pleasure in reporting a paid up
membership for our society of about 50
names. Our monthly meetings have
been well attended by the workers, who
have shown unrelenting zeal in hospi-
tal work. At the beginning of the Hos-
pital year it was decided to limit the
number of entertainments given by the
"Aid" and the Alexandra Club, and in
accordance with this plan only 4 have
been held by us during the year, namely
A Childrens Concert, conducted by Mrs.
Lo Poldevin, which was a great success.
A Ball, a garden party on the Hospi-
tal grounds, and a lawn social at the resi-
dence of Mr. and Mrs. Lund.

The system of collecting "mite money"
or small sums monthly, from every house
in town was commenced this year and
has been conducted under the super-
vision of Mrs. Palmer. It has proved a
very satisfactory method as the Treas-
urer's report will show.

Each month a visiting committee has
been appointed to make weekly visits to
the hospital to receive the Matron's re-
port and consult with her about hospital
requirements. Several Wards have been
furnished during the year, to meet the
growing demands of the hospital, and
the ladies have now practically com-
pleted their scheme of furnishing with
the exception of some minor items.
During the year just entered upon we
expect that our work will be principally
to furnish the 3rd. story of the hospital
building, as the need of more space has
already been felt. The Ladies Aid beg
to take this opportunity of expressing
their very hearty thanks to all who have
co-operated with them in their work
this year, and ask a continuance of it
during 1906. The donations of fruit,
vegetables &c, have been acknowledged
from month to month and have been
most gratefully received at the hospital.

Provincial Government Will Continue Creamery Business and Greatly Extend Scope of the Work.

The pronouncement was made Wed. 21st, by W. T. Finlay, Provincial Minister of Agriculture, at the convention of creamery delegates at the city hall that the Provincial Government intends to continue the creamery business in its present form, as established and conducted by the Dominion Government and to add a sum of money for the purpose of making loans under certain conditions to farmers' associations for the purpose of establishing creameries; and also that the Government intends to go in to the business of handling poultry, eggs and pork, establishing packeries and cold storage depots for the transaction of these businesses on the same basis as the Dominion Government established the creamery business.

The Premier and Hon. Dr. De Veber, Minister without portfolio, were present at the meeting and acquiesced in the statement of policy.

Another very important declaration was that made by the Deputy Minister of Agriculture, to the effect that he could think of no better man to conduct the creamery business than Mr. Marker, who has had charge of the Alberta branch of the Dominion Government's creamery business in the past and that the retention of Mr. Marker in control is popular with the creamery interests of the province was apparent by the enthusiastic applause that greeted the state.

The occasion for these important declarations was the meeting in the city hall this morning of the delegates representing the twelve Government creameries in operation in this province for the purpose of sanctioning the transfer of the business of the Alberta creameries from Dominion to Provincial management.

There were present J. A. Ruddick, chief of the Dominion dairy department, Geo. Marker, superintendent of the creamery business for the province of Alberta; Premier Rutherford, Hon. F. T. Finlay, minister of agriculture for the province; Geo. Harecourt, deputy minister of agriculture; Dr. De Veber, minister without portfolio, and the following delegates representative of the patrons

W. M. Butchart of Content was in town a couple of days last week.

R. A. Robinson of Penhold was in town on Thursday.

Mr. Wm. Piper returned from a business trip south on Thursday.

C. T. Daykin of Armstrong, B. C., formerly of Lacombe spent a day last week the guest of Mayor Michener.

MANAGER RED DEER YARD

Solheim.

The Annie Rooney Opera Company demonstrated exceptional dexterity in their performance on the 22nd inst. The hall was well crowded, many of whom were in attendance having come from distant parts. A lengthy program was rendered which consisted of the most modern scenes together with several songs and recitations. The members of the Company are commendable for the success attained through their energies, this being but their second dramatic performance. Miss Eaton the chief promoter of the enterprise is well worthy of praise for the manner in which the whole proceedings were so well carried out. The Sigurdson sisters deserve special mention for their graceful maneuvers on the stage also does Miss Petro, who performs with exception skill. Misses Eaton, Sigurdson, Petro, Monteth and Johnson are rising young experts and are worthy of creditable mention on any platform.

McLeod Bros. arrived here last week from Oregon, they intend farming in our district.

A. Gherkie of Shady Nook entertained a large number of friends at his home last week.

J. Forrester of Red Deer was in this district last week buying up horses.
